5. PRE-SALE

- 5.1 The following definitions and terms shall apply to all Transa website pre-sale products:

5.1.1 Pre-Sale definition

Products offered on a pre-sale basis have not yet been manufactured and require a specified amount of sales to be achieved, in order for the manufacturing to proceed.

5.1.2 *Pre-Sale Window*

Each product shall have its own pre-sale window stated in the product text. The pre-sale window shall specify a start time and date, and an end time and date (e.g. 12.00 01/01/21 to 12.00 28/02/21). This is the period where customers can commit to purchasing the relevant product.

5.1.3 *Minimum Sale Quantity*

There shall be a minimum sales quantity specified in the product text. This minimum sales quantity must be achieved before the manufacturing can proceed (we reserve the right to 'reduce' the minimum sale quantity at any time). In the event the minimum sale quantity is not achieved by the end of the stated pre-sale window, we reserve the right to not proceed to the manufacturing stage. In this event, customers shall be notified within 7 days of the end of the pre-sale window and provided with a full refund within 14 days of the end of the pre-sale window (it may take longer for the funds to hit your account), however we shall endeavour to notify and refund sooner where possible.

5.1.4 *Cancellations*

Cancellations will be accepted up to the end of the pre-sale window and customers shall receive a refund (minus any Paypal/Card issuer payment and refund transaction charges).

We strictly cannot accept any cancellations after the end of pre-sale window.

5.1.5 *Delivery*

Estimated delivery of the product shall be specified in the product text. This is subject to change dependant on any unforeseen delays (e.g. manufacturing, covid-19, 'Brexit'), however we shall keep you updated of any changes. Once product is received, we shall endeavour to ship your purchase to you within 1 week of receipt.

6. RETURNS

6.1 *Returnable Products*

The return of physical products such as Vinyl, CDs, T-Shirts and Posters will be accepted provided that all of the following conditions are met:

- 6.1.1 The products were not sold to you on a 'pre-sale' basis (i.e. had not been manufactured at the time of ordering - refer to article 5.1.1)
- 6.1.2 The products shall be in an unused, undamaged condition.
- 6.1.3 The products shall be sufficiently packaged for the return journey.
- 6.1.4 The customer accepts responsibility for all returns 'packaging and shipping' costs related to the returned items.
- 6.1.5 The customer accepts responsibility for any loss or damage to the returned items which may occur on the return journey.
- 6.1.6 Customers shall email sales@transa.co.uk within 7 days of receipt of their order, advising i) their intent to return the product(s), ii) the detail of which product(s) they wish to return and iii) the reason for the return.

6.2 *None Returnable Products*

Unfortunately we cannot accept returns on a) products which were sold on a pre-sale basis (i.e. had not been manufactured at the time of ordering - refer to article 5.1.1) and b) downloaded products.

7. LOST, DELAYED OR DAMAGED SHIPMENTS

7.1 Lost or delayed shipments

All products are shipped on either a i) 'signed for' (UK shipments) or ii) 'tracked and signed for' (International shipments) basis. In the event that your shipment does not arrive within 5 working days of the expected delivery date, please contact sales@transa.co.uk and we shall contact the courier to investigate and if confirmed as lost, initiate a claim for the shipment. In the event of a successful claim from the courier, replacement product(s) shall be shipped to you on the same terms as the original purchase (subject to availability - refer to article 7.3).

7.2 Damaged shipments

We highly recommend that customers inspect their delivery for any transit damage whilst they are in the presence of the delivery courier (including opening the packaging and inspecting the product(s)). If your delivery has sustained damaged in transit, i) report the damage to the delivery courier at the time of delivery (if possible) and ii) take photographic evidence of the damaged packaging and damaged product(s) and email to sales@transa.co.uk within 24 hours of the delivery. We shall contact the courier to initiate a claim for the damaged shipment. In the event of a successful claim from the courier, replacement product(s) shall be shipped to you on the same terms as the original purchase (subject to availability - refer to article 7.3).

7.3 Availability of replacement products

Due to the 'limited' availability of some products, (e.g. limited run vinyl) any replacements for lost or damaged deliveries are subject to stock availability. In the event that we are unable to replace the products due to stock availability, we shall offer:

i) a full refund of the damaged product(s) plus postage paid, where all products in the shipment are damaged in transit and a successful claim against the courier is made.

or

ii) a refund of the damaged product(s) only, where only some of products in the shipment are damaged in transit and a successful claim against the courier is made.

8 TAX AND CUSTOMS

When ordering products from us for delivery outside of mainland UK you may be subject to import duties and taxes, which are levied once the package reaches the specified destination. Any additional charges for customs clearance must be borne by you; we have no control over these charges. Customs policies vary widely from country to country, so you should contact your local customs office for further information. Additionally, please note that when ordering from us, you are considered the importer of record and must comply with all laws and regulations of the country in which you are receiving the products. Your privacy is important to us and we would like our international customers to be aware that cross-border deliveries are subject to opening and inspection by customs authorities.

9 GOVERNING LAW

9.1 Your use of this Website and any purchase by you on this Website of any products will be governed by Scottish Law and will be deemed to have occurred in the United Kingdom.
